ABOUT EUROPACORP

Founded in 1999, EuropaCorp has become one of Europe's leading film and television studios.

The company's global activities span the entire film value chain with expertise in production, theatrical distribution, video and VOD sales, international sales, soundtrack publishing, and television sales. By directly managing the production and distribution process, EuropaCorp is able to maintain quality and creativity throughout the lifecycle of a film or television project. The company has produced or coproduced over 110 films, distributed nearly 160 films in French cinemas, and owns a catalog of more than 500 French and English language titles. Since 2000, the company has produced 8 of France's 20 highest grossing films based on worldwide box-office. Starting in 2010, the company has been active in producing television movies and episodic television series for platforms around the world.

EuropaCorp was founded by French director, screenwriter and producer Luc Besson.
