

Press release, July 26<sup>th</sup> 2023

DOGMAN directed by Luc Besson is selected in competition at the Mostra Internazionale d'Arte Cinematografica - the Biennale di Venezia 2023. (to be held from Wednesday August 30<sup>th</sup> to Saturday September 9<sup>th</sup>).

"I hope this movie that has convinced us will also convince those spectators and critics who think that Luc Besson only directs action movies, this is much more than that. I am not telling you anything about the plot, it is really surprising, it is a monument to an extraordinary American actor Caleb Landry Jones who makes a performance that will become memorable. You will discover this very soon."

Alberto Barbera, Head of the Mostra
